Activities and books, boys and girls, old and new, blend as one under the direction of the Garfield Heights Board of Education. Our school system, new in scope and structure, old and rich in culture and tradition, pays tribute to this first graduating class of the new Garfield Heights Senior High School.

On behalf of the Garfield Heights Board of Education, I extend warmest congratulations as you cross this milestone in the educational process. With a high school diploma as a background, you will be better

prepared to meet the demands of the complex space age society you are about to enter.

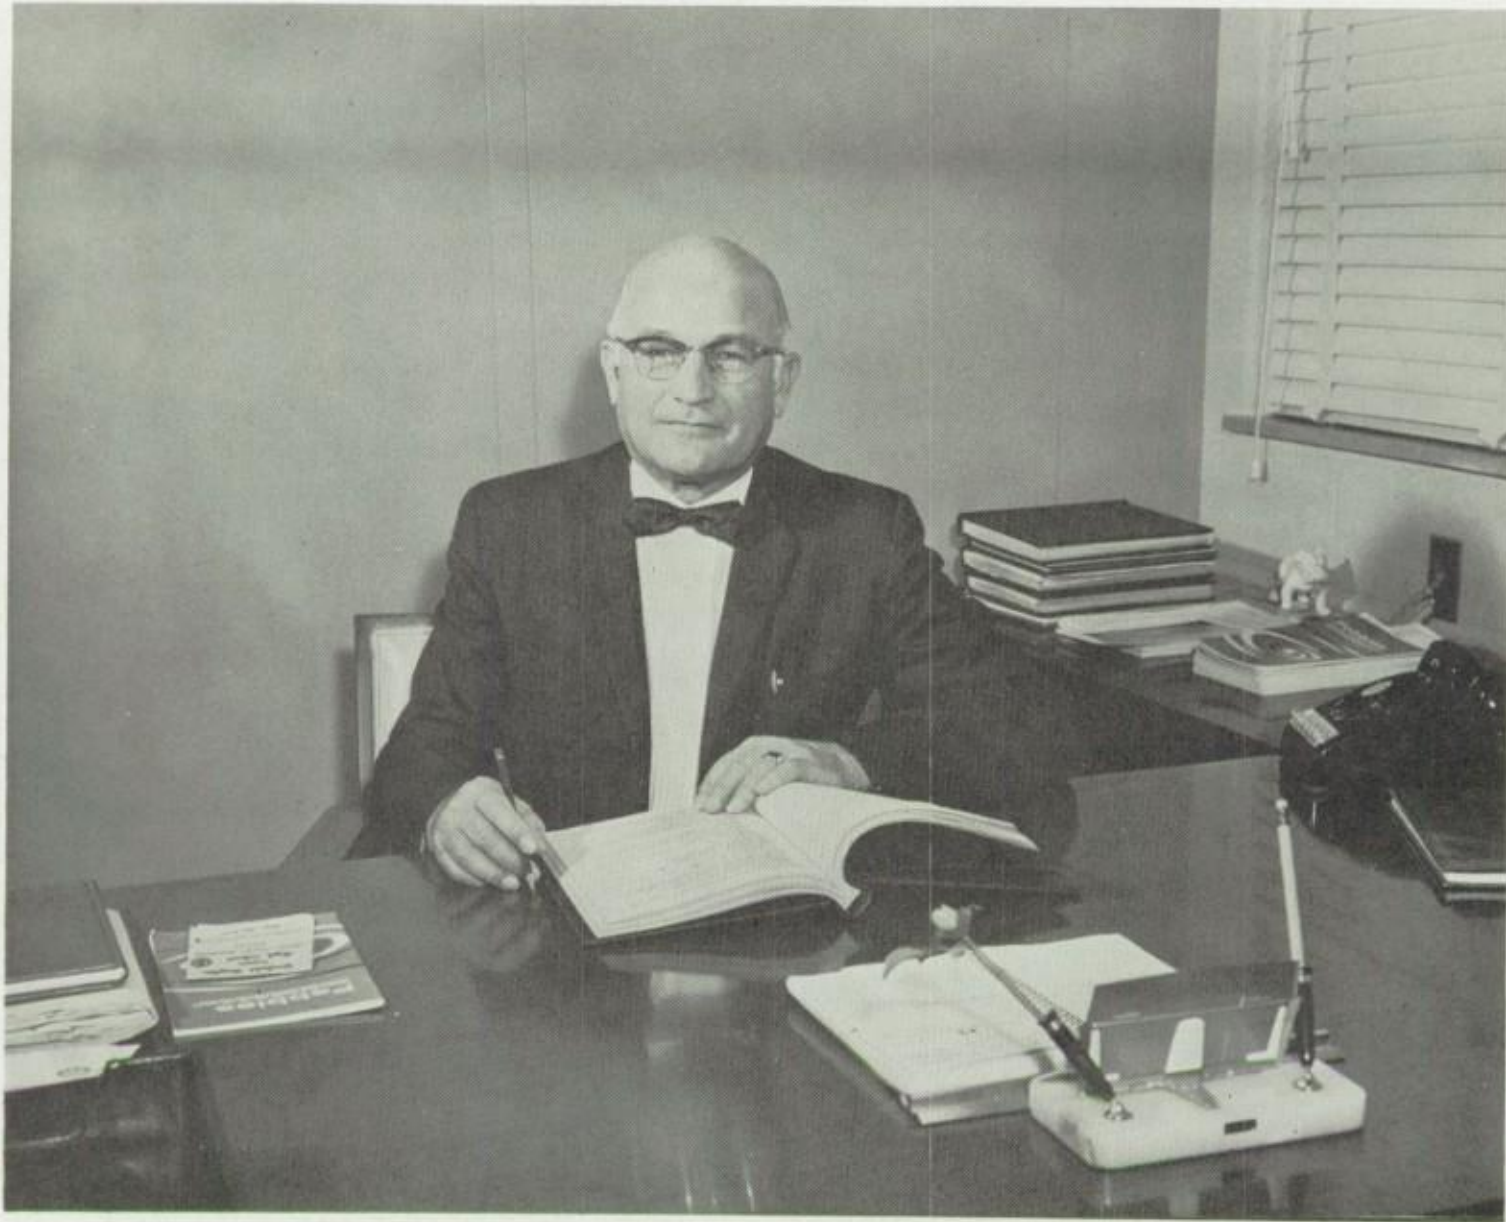

Never has there been greater opportunity for the practical application of education than in this dynamic decade of the 60's. The spectacular changes confronting the world today demand an ever increasing knowledge and a willingness to develop and broaden your educational horizons. Continue to strive for excellence!

Sincerely yours,

Albert J. Vlasak

President, Garfield Heights Board of Education

Principal

The class of 1963 will have the distinction of being the first class to graduate from the new Senior High School, and the school year 1962-63, will be remembered as the year when students and faculty adjusted to a new type of high school organization in a fine new, recently completed building.

The changing organization, the ever changing and growing curriculum, are indications that our school is meeting the challenge to give young Americans the training they need in these times which one writer has termed, "The most exciting area in human history".

Garfield Heights Senior High School will continue to intensify the encouragement and requirement that all students get the most from their high school by working up to an ever higher standard in keeping with their individual abilities, to the end that they may know the joy of achievement and may live up to their responsibilities in a free America. Preparation for college will continue to be emphasized through additional guidance and continued provision for all college preparatory courses. The changing curriculum provides for additional mathematics, advanced science, advanced music, advanced English, to encourage all those who can do work beyond requirements in preparing themselves for this scientific age.

This comprehensive high school continues to offer opportunities to study in the vocational fields in the new, well-equipped building, and to provide more training in the understanding of the history of our world.

Through the years, Garfield Heights High School has gained distinction because of the splendid attitude toward education and good citizenship maintained by the people who are enrolled in the school. It is complimentary that, through the process of changing to a new situation, that attitude has not been lost. Reports indicate that everywhere our high school groups participated they left the impression of splendid young citizens, reflecting credit upon their school, their parents, and their community. The many visitors, observers, and practice teachers were openly complimentary in their praises of the general operation of our school.

Congratulations to the class of 1963 for your achievements thus far in life and best wishes for the future. Congratulations to your parents and the Board of Education for their part in making this part of your education possible.

Faculty

The quality of a high school education must ultimately rest upon the worth of the faculty. We, here at Garfield, feel that our teachers rank second to none in sincerity, ability, and in dedication to their task.

Our faculty represents a group who are interested in furthering the aims of education, democracy, and character building in our high school.

The student body at Garfield Heights Senior High School feel fortunate indeed in having such a capable group of teachers.

In Memoriam

The sudden death of Frank W. Trella, February 9, 1963, brought to an end seventeen years of dedicated service to Garfield Heights High School. His sudden passing away was a shock to all and he will be missed greatly by both teachers and students.

This year he taught machine shop, although he had previously instructed pupils in industrial arts and metal shop. He will always be remembered for his work with the Usher's Club. He was graduated from Ohio State University and taught at Walbridge, Ohio, before coming to Garfield Heights.

First Row: Karen Werstak, Carol Conte, Maureen Karaffa, Joanne Starsitis, Kathleen Manista.
Second Row: Carla Zagar, Sylvia Geide, Sandy Adair, Patsy Toth, Pat Rott, Susan Schmidt.

Sell! Sell! Sell! This was the motto of our Yearbook Sales Staff. These people worked diligently soliciting patrons and advertisements to help make the yearbook what it is. The yearbook would not exist without patrons and advertisements to help finance it. The rest of the Yearbook Staff and the student body would like to say, "thanks."

Mirror Staff

The school year of 1962-63 saw the Garfield Mirror acquire a new office in the Publications Room, a new advisor, and new editors.

The Garfield Mirror is in its 36th year of publication under the capable supervision of its new advisor, Mr. Ralph Subotnik. Aiding Mr. Subotnik in publishing the monthly paper are: Dick Belsky, Editor; Pat Sykora, Senior Associate Editor; and Jan Dugovics, Junior Associate Editor.

Much preparation goes in the publishing of the paper and the editors worked diligently to meet each deadline. It can't be overlooked that they had a cooperative and excellent staff.

Through the work and effort of Mr. Subotnik, his editors, and the staff, the student body has been provided with one of the finest papers in the area.

First Row: Advisor, Mr. Ralph Subotnik, Pat Sykora, Dick Belsky, Jan Dugovics.

P. A. Staff

The P. A. Staff, under Mr. Harold Kimball's direction, are on the job each morning to deliver important announcements of the up-coming events at Garfield High. Their concise and accurate announcements play an important part in keeping the student body well informed.

This year's staff consists of Kay Krowe a senior (right) and Barbara Bilek a junior (left).

Treasurers Staff

1962-63 was a very busy year for the girls who helped Mrs. Louise Conley in her Assistant Principal and School Treasurer office. Helping Mrs. Conley get settled in the new school last fall was a big part of their duties this year. They also performed other various duties such as typing out forms and letters, helping to handle all 41 high school accounts, selling class rings, and working on the Magazine Campaign, Coordinated Fund Drive, and the senior commencement announcements.

Mrs. Louise Conley's personable friendliness contributed to the girls' eagerness to help her in all her many jobs.

From left to right: Marlene Lasik, Mrs. Louise Conley, Sue Schmidt.

Magazine Campaign

November and December proved hectic for the girls managing the magazine campaign. Hundreds of subscriptions and thousands of dollars had to be accurately accounted for. Many varieties of animals also had to be delivered to their new owners. Through the capable leadership of Mrs. Louise Conley, Sue Schmidt and Marlene Lasik, this year's campaign was a success.

First Row: Pat Prochaska, Sue Schmidt, Marlene Lasik.
Second Row: Eileen Rupp, Marianne Fazio, Jan Sprengel.
Third Row: Karen Vereb, Kay Krowe, Patti Toth, Cyndy Ward.

Guidance Council

First Row: Thomas Wrabel, Counselor, Junior High; Mary H. Kerr, Director of Guidance; E. E. Schneider, School Psychologist; Mrs. Vera Price, School Nurse; Clifford Foust, Dean-Counselor, Senior High.

Second Row: Miss Ann Tulloss, School Nurse; James F. Hartman, Counselor, Senior High; Miss Alice Wiley, Principal, Maple Leaf Elementary (Guest); Mrs. Mildred Brown, School Nurse; Donald Chalker, Counselor, Junior High; Mrs. Phyllis Hummel, Dean-Counselor, Senior High; other members of the Guidance Council are: Harold Kimball, Assistant Principal in charge of testing and educational statistics, Senior High; Mrs. Elaine Jones, Speech and Hearing Therapist; Miss Alice Kuzius, Dean, Junior High.

The Guidance Council, a city-wide school organization, is composed of the following personnel: Director of Guidance Services, Deans—Junior & Senior High Schools, Director of Testing and Educational Statistics, Counselors—Junior & Senior High Schools, School Nurses, School Psychologist, Speech and Hearing Therapist.

These members of the school staff have varied but specific responsibilities in the area of guidance services.

Guidance Services comprise that group of services and activities designed primarily to assist individual students in the development and attainment of personal goal and to assist teachers and parents in their understanding and guidance of young people.

The Guidance point of view recognizes that in-

dividuals differ in physical, academic, emotional and social development and emphasizes that understanding these differences is essential to helping each pupil. The major concern of guidance is the maximum development of each boy and girl.

Each pupil is given many opportunities through tests, measurements and other guidance activities to learn about his scholastic abilities, vocational interests and aptitudes. An awareness of vision, hearing and/or speech problems is sought by regular checks in these areas by nurses or therapist. Counseling services assist students in interpreting their own school records and in securing educational and vocational information.

The coordination of these guidance services in a group such as the Guidance Council provides more effective services in a large city school system.

Once again the choir proved to be one of the most active groups in our school. Their annual Christmas and Spring Concerts were enjoyed and will be long remembered by all who attended. The Choir performed at the Thanksgiving Assembly and at the dedication of our new school. They were also on hand to entertain our parents at the P. T. A. meetings.

Their hard work and many long hours of prepara-

tion for each of these were well rewarded by the manner in which their performances were received.

The Choir is very fortunate to have Mr. E. J. Kotora as their capable director.

This year's Choir officers were: Russell Frantz, president; Jane Saus, vice-president; Ginny Charbat, secretary; Theresa Slusarz, treasurer; Karen LaCamera, music librarian; Vivien Bryant, student conductor.

Triple Trio

The Triple Trio is a group of nine hard working girls who perform for the student body at assemblies and at many other school functions.

At the beginning of the school year, these girls were chosen from a great many others.

As all the students, and their director, Mr. Kotora, will agree, their hard work and many hours of practicing have helped them to attain success.

Left to right: second sopranos: Norene Siekemeyer, Paula McHugh, Elizabeth Pavlik; first sopranos: Denise Gielinski, Jan Dugovics, Barb Lisy; altos: Jan Sprengel, Jane Saus, and Carol Kus.

Glee Club

Mr. James Kotor, the director of the Glee Club, did a fine job in combining this group of girls to offer song and entertainment to Garfield Heights Senior High School. This group of girls participated in many of our

social events and their contribution has been helpful in making our entertainment successful. They have been part of the Christmas Concert and the Spring Concert this year as well as those in the past.

Fifth Row: Kuse, Iammarino, Groniek, Wright, Soukup, Moyer, Director, Mr. Guy Stella.

This select group, better known as "Pep Band," plays at all assemblies and athletic rallies. Because of its size, it can play in places where the concert band could not; consequently, the versatility of this organization cannot

be measured.

This group is a true reflection of fine leadership and hard work on the part of its members.

Marching Band

Under the direction of Mr. Guy Stella, the marching band has distinguished itself at all the G.H.H.S. football games. This year they were named home band for the "Cleveland Bulldogs," and made a very fine appearance at the Memorial Day parade.

Truly, this band has lived up to all the musical standards set in previous years at Garfield Heights.

Concert Band

Our Concert Band displayed a tremendous amount of talent in this field of music. The "63" concert season, starting with several elementary school concerts and with the Spring Festival as a finale, proved to be one of the most gratifying in the history of instrumental music at Garfield.

By hard work and long practices, this group has upheld the tradition of fine musicianship at G.H.H.S.

No school function would be complete without the talented 1962-63 majorettes.

Varsity Cheerleaders

First Row: Bettie Boygor, Ginny Charbat, Chris Nowak.
Second Row: Jan Hartley, Karen Gavel, Jan Sprengel.

GO-FITE-WIN!—that was the motto of our Varsity Cheerleaders for the 1962-63 cheering season. The Varsity Cheerleaders under the capable supervision of Mr. William Hoffman and captain Ginny Charbat did their best in creating school spirit, pep, and en-

thusiasm at all sports events and helped to introduce school spirit into the new high school. They also sponsored the cheerleaders' dance known as the "Swinging Stomp". This year the squad was composed of five seniors and one junior.

Junior Varsity Cheerleaders

First Row: Barbara Wolk, Rita Thompkins, Sue Predovic.
Second Row: Jo Ann Percher, Patti Rembowski, Clare Capadona.

The Junior Varsity Cheerleaders play an important part in boosting the spirit of our school. These enthusiastic girls are under the capable supervision of Mr. William Hoffman and the guidance of captain Sue Predovic. They are always on the spot at all the J.V. games cheering the team on to a victory.

Every Wednesday night you will find these cheerleaders in the school lobby trying to perfect an already very good squad.

Varsity Football

First Row: Banville, Hriz, Tomcho, Juby, Bell, Ruminski, Gall.
 Second Row: Chuppa, Chapple, Petal, Spacek, Chapple, Pirrone, Merhar, Falcone, Rapiey, Manager Aquilino.
 Third Row: Manager Jankowski, Coach Brickman, Coach Knazek, Zuber, Perko, Korpowski, Skoczen, McSweeney, Sheffler, Gutkowski, Karlyn, Manager Spornoga, Coach Konet, Head Coach Foust, Athletic Director Williams.
 Fourth Row: Drews, Gembarski, Karwan, Smith, Young, Gaicki, Dolak, Nowak, Lutar, Kurtz, Remesch, Schreiber.

Under the capable direction of Coach Cliff Foust and his assistants the 1962 Bulldogs combining spirit and desire with outstanding ability, the 1962 edition of the Varsity football team posted a formidable 5-3-1 record. The Bulldogs' conference record of 2-1-1 was good enough for a second place tie in the Greater Cleveland Conference.

Held in low regard before the season started because of their lack of experience, the squad blasted Cleveland Heights and University School early in the year to get off to a fast start and continued this pace

throughout the season. Their only severe loss came at the hands of state power, Warren, and they rebounded from this defeat by burying Bedford 56-0 in their next game.

Mike Remesch was one of the area's top scorers, and was named as a "Press Star" for his outstanding work. Other backfield standouts were Jim Korpowski and Bob Chapple, while Jack Banville and Paul Gutkowski turned in fine line-play. The performances of these players, as well as the others on the team, made the 1962 season an exciting one for Bulldog fans.

Varsity Basketball

First Row: Perko, Korpowski, Kanieski, Pirrone, Chuppa.
Second Row: Manager Pastor, Riggles, Anderson, McSweeney, Koerner, Swick, Coach McColloch.
Third Row: Moyer, Day, Drews, Remesch.

The Garfield Heights Varsity Basketball Team finished the 1962-63 season with a 6-13 record. After a slow start in which the team lost its first two games, the Bulldogs got on the winning trail with a victory over Midpark. The squad placed 4th in the Greater Cleveland Conference with a record of 2-6.

An outstanding individual performance was turned in by Al Kanieski. Al was the conference scoring leader and his 21.7 average per game put him in 4th place in the district in that department. The 6'1" senior also did an outstanding job on defense. Bert Moyer, Don Day, and Hans Drews all helped under the boards in getting the rebounds, while sophomore Marvin Anderson and junior Jim Korpowski showed good potential for next season.

Even though their record was not impressive, Coach Carl McColloch feels that this year's squad was a fine group of boys to work with. Congratulations should go to Mr. McColloch and his team for the excitement they provided for us during the 1962-63 season.

First Row: Roodhouse, Kelley, Juby, Rubin, Federico, Range, Coach Morris.
Second Row: Coach Brickman, Manager Emery, Bartolic, Karwan, Wills, Petal, Sheffler, Perko, Taylor.

The Garfield Heights wrestling team, under the capable direction of Coach William Morris, turned in their best record in three years during the 1962-63 season. This year's 7-3 mark is the best Garfield has posted since the state-championship squad of 1959-60. The Bulldogs' 2-2 conference record gave them third place in the Greater Cleveland Conference.

After they completed the regular season, the squad turned in an impressive tournament record. They

placed second in the sectional tournament, second in the district, and ninth in the state of Ohio.

The teams greatest individual performance was turned in by Dave Range. This outstanding senior grappler was first in the district, first in the sectional, and topped it off by winning the state-championship in the 103 lb. division. Jim Kelley and Rich Juby also advanced to the state tournament in Columbus.

These girls, the Leaders of Garfield Heights Senior High School, are here mainly to learn the rules and playing techniques of the various sports. Leading their gym classes and officiating

the intramural games are among their jobs.

The head of this organization, Miss Jean Seidel, is always there to set the pace for these girls. Nancy Hanus, the president, is on hand to assist Miss Seidel in any way she can, and Rita Tompkins is their official librarian.

Varsity Baseball

The Varsity Baseball Team, under Coach Carl McColloch, enjoyed a very fine season in which they finished 2nd in the Conference as a result of a defeat at the hands of Eastlake North in the final game of the season. Fine pitching was supplied by Jim Korpowski, Bob Lewis, Gerry Sokalski, and Dick Lee. The batting punch was supplied by Jim Korpowski, Mike Remesch and Joe Kowalski, who will all return next year. The 1962-63 season looks very promising with the loss of only three seniors.

Varsity Track

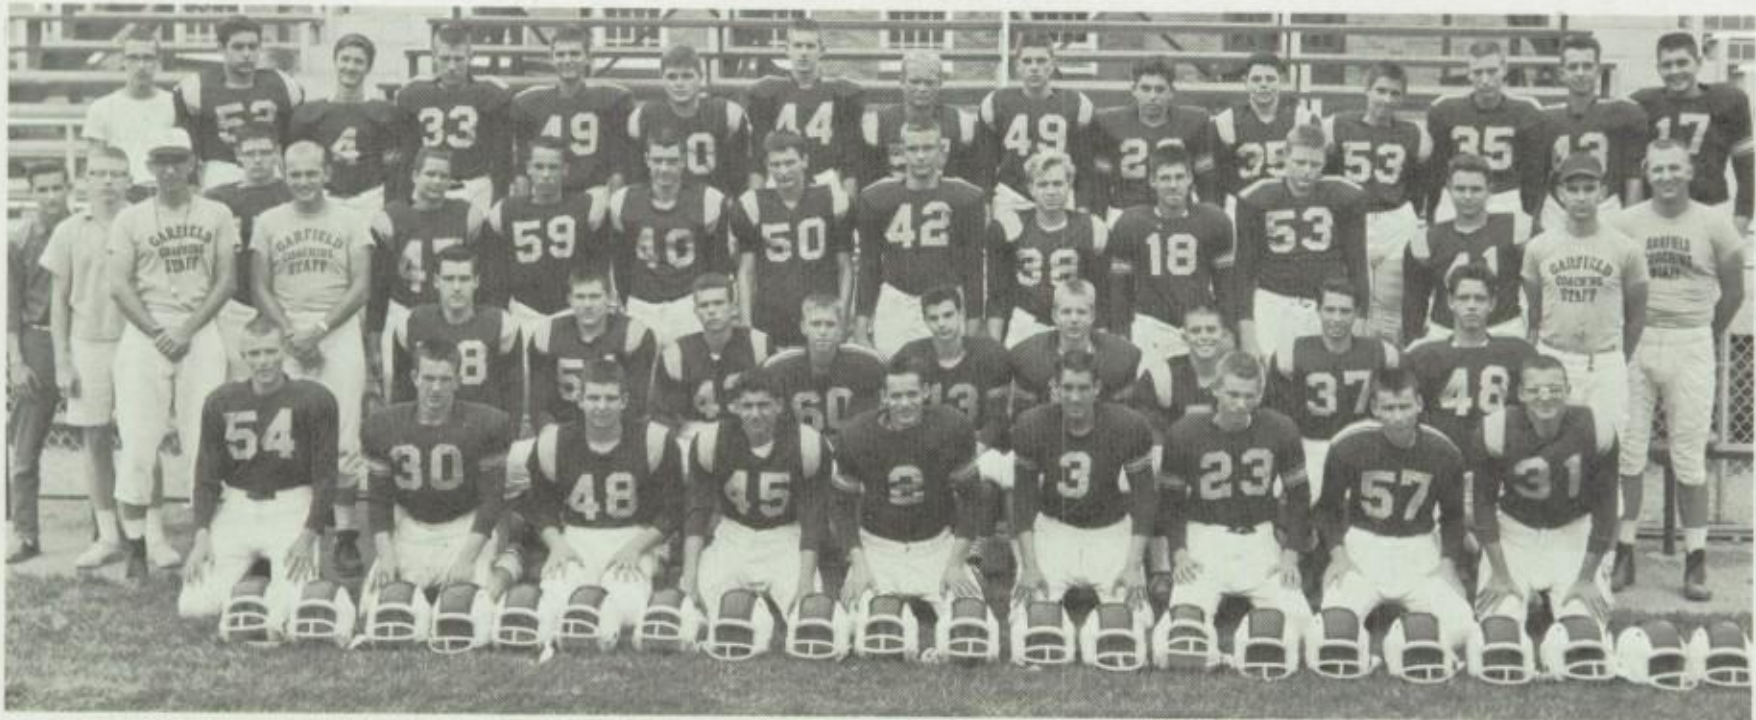

Last year's Varsity Track Team, directed by Mr. William Morris, had an average season finishing 4th in the Conference. Co-captains, Art Zachary and Ron Salupo, were the outstanding performers. Zachary won the M.V.P. award. Members of last year's squad include: sprinters—Ron Salupo, Rick Marini, Bob Chester, and Jim Takacs; hurdlers—Al Kuntz and Wayne Spraggins; distance—Paul Steels and Dave Range; field events—Art Zachary and Rich Guzowski. Returning lettermen for the 1962-63 season are Bob Chester, Rick Marini, Grant McCallum, Paul Kukla, and Bob Ruminski.

Cross-Country

The 1962 season represented the 6th year of Cross-country here at Garfield, and each year finds an increased interest and participation in this sport. This year's record was anything but impressive, but all the boys were sincere in their effort. Some of the top runners were: Dave Range, Ron Gombas, Jim Cegelka, Van Chaffe, Jim Devan, Jack Holy, Steve Zielaskiewicz, and captain Ed Perko. Mr. James Hartman coached the team with great vigor.

The Junior Varsity Basketball Team was under the direction of Coach Andrew Knazek for the 1962-63 season. Although their record was only 4-12, the squad lost a number of close ballgames. Seven of their losses were by a total of only seventeen points. From the experience gained this year, the boys should be an asset to next year's varsity squad. The team elected Greg Scerback and Tom Poremba as their co-captains.

Second Row: Kozlowski, Richmond, Zeman, Visocki, Poremba.

Club Organizations

ART PRODUCTION

Miss Kathryn Krumhansl and her talented group of students did much throughout the school year to beautify the halls and main bulletin board with many multi-colored designs, themes, and posters. Another responsibility of this industrious service group was the designing, building, and painting of the beautiful scenery for Showboat 1963.

BUSINESS GIRLS CLUB

As members of the Business Girls Club during the past year, many girls have found enjoyment as well as educational experiences.

This group, under the capable leadership of faculty member, Miss Anne Neville, is concerned with giving girls, whose vocational interests are in the business field, a better outlook on what to expect and what is expected of them.

Arrangements for speakers from various companies in the area are made by Miss Neville and her cabinet: Angie Monastero, president; Jan Dugovics, vice-president; Joyce Buday, treasurer; and Wilma Pokorny, secretary.

CANTEEN

If you like to go to dances, you can be sure there will be a dance at least once a month. The Canteen Club sponsors dances that range from record hops to dressy dances. This year's officers are: Sue Schmidt, president; Bert Moyer, vice-president; Cyndy Ward, secretary-treasurer; and Renee Horvath, publicity chairman.

FUTURE NURSES CLUB

This year's cabinet consisted of Bonnie Vircant, president; and Karen Marien, secretary.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America, under the direction of Mrs. Ann Norwich, is a vocational club for those who are considering teaching as a career. During the course of the year, the members see movies, observe teaching in the elementary schools, and act as substitutes when their services are needed. The officers of the club are: Marleen Kormos, president; Helen Watson, vice-president; Mary Lou Jackowicz, secretary; Joan Gallucci, treasurer; and Mary Jane Settle, publicity chairman.

GERMAN CLUB

Our newest club this year is the German Club. Membership consists of students taking or having taken German at

some time. Under the supervision of Mr. Peck, the club conducts business like meetings and organizes many interesting activities. The purpose of the club is to acquaint students taking German with each other so that they may further their knowledge of the language.

The officers of this year's club are: Ken Vagen, president; Pam Grabowski, vice-president; Sue Yacobellis, secretary; and Diane Hitch, treasurer.

JUNIOR COUNCIL ON WORLD AFFAIRS

The Junior Council on World Affairs, under the able supervision of Miss Norma Wilker and Mrs. Ruth Bretschneider, promotes a better understanding of the problems of the world today. This is accomplished through discussions and lectures by interesting guests. Highlighting the varied activities of the group was the participation in the Mock United Nations Assembly, the annual meeting of all councils in the Greater Cleveland Area. The officers of this club are: Greg Grover, president; Elaine Glover, vice-president; Beverly Kostrubanic, secretary; and Loretta Carrocio, treasurer.

LATIN CLUB

The Latin Club is created mainly to get students interested in the Latin language. Among the topics discussed by the members are the more detailed points of Roman Life. At the head of the club is president, or consul, Tracy Tyler. The vice-president is Richard Juby, and both the secretary and treasurer's offices are held by Elwood Koper. These three active boys assist the sponsor of this club, Mr. Leonard Brickman.

SCIENCE CLUB

Those students interested in science would truly enjoy the meetings held by the Science Club. Mr. Paul Pira, the club's advisor, and the club members discuss current science topics and other subjects relating to modern science. Activities for this year included participation in the Annual Science Fair and attending the Science Fair at the Public Auditorium.

This year's Science Club cabinet consisted of George Stage, president; John Kovalick, vice-president; Gayle Robinson, secretary; and Bryan Kolakowski, treasurer.

The Council of Student Representatives

The Council of Student Representatives, under the able supervision of Mr. Clifford Foust and Mrs. Louise Conley, is composed of the president and vice-president of each class.

Primarily concerned with forming a more desirable relationship between the faculty and student body, the student council is also in charge of the details of the traditional Homecoming weekend.

Serving as chairman this year was Allan Kanieski. Other members included: Ginny Charbat, Bob Whewell, Jim Doubrava, Jim Kelley, and Tracy Tyler.

Sitting left to right: Tyler, Kanieski, Whewell, Kelley, Charbat, Doubrava. Standing: Mrs. Conley, Mr. Foust.

Y-Teens

Y-Teens, one of the most active clubs in school, is affiliated with the Central Branch of the Y.W.C.A. It is a club that is well known for its service and social functions throughout the year.

Sponsored by Mrs. Detering, Mrs. Ostrica, and Mr. Peck, Y-Teens holds many social events during the year. Among the more important are the King's Assembly and Dance, the Twirp "Can-Can" Dance and many service projects undertaken by this club.

This club provides the girls with an opportunity to test their athletic skills and develop good sportsmanship.

Their intramural program, in which many girls participate, awards outstanding members with a numeral, letter, and the honor of having their name placed on the Honor Role. Through the years, G.A.A. has also performed many other services for the student body. High on the list of social events for the year were G.A.A. Date Night, and the annual Soccer Supper. Because of the severe weather, the club was unable to hold this year's tumbling tournament, an event in which class competition is very keen.

Office Production

Remember the delightful little programs you admired? Or can you remember the not so delightful looking tests that appear every week? In any case, it was the work of the girls in Office Production. These girls gave up their study hall periods to perform a service so invaluable to our educational system.

Typing tests, programs, bulletins, letters, and copying material for classroom use were also a part of the assumed duties of these girls. The girls were carefully selected by their supervisor Mr. Ralph Subotnik.

Left to right: Diane Kane, Loretta Carroccio, Julie Greva, Kathy Terlop, Mr. Ralph Subotnik, Gale Ostrovic, Caroline Kocisko. Not shown girls who started the second semester: Jan Nemeth and Karen Gavel.

Printing Production

Printing Production under the direction of Mr. Raymond Stiefel was an important activity of the boys listed below. These boys helped set up the many various school forms, posters and placecards which are used throughout our city schools. Each boy's project as selected was observed and approved by Mr. Stiefel before the finished product was used either in printing or in general school production.

Left to right: Keeler, Bretschneider, Barnhard, Pinto, Lekan.

Bowling Trophy Winners

Another fine trophy has been added to the collection this year by the winners of the first semester girls bowling championship. These girls participated in the Suburban Bowling Roll-offs at Playhouse Square where they came out on top. As handicap winners, the girls brought home the trophy by outpointing fourteen other teams with an actual score of 1273.

First Row: Sanuk, Padrilik, Vereb.
Second Row: Palagyi, Jenkins, Buday.

Below are listed the honors won by our high school music department as of April 1963.

In the Greater Cleveland Solo and Ensemble Contest students are rated on a five point basis with a rating of I or Superior as the top. A II rating is Excellent, III Good, IV Fair, and V Poor. Also listed below are students who competed in a jazz contest and won 1st place. Our majorettes, Aurora Morris, Patti Toth, Marlene Cooper, Sandy Davis, Annette

Zaremba, Bonnie Sliwinski, and Head Majorette Betty Schambacher, fared very well in their contests. Five of the boys from the Senior Band, Frank Dolak, David Epifano, Tom Kneisner, Warren Sika, and Dennis Franco, were selected for an All Star Band which rehearsed and performed at Kent State. The accomplishments of these people have brought honor to our school and community.

"Summing Up"

Left to right: Barbara Bilek—Associate Editor, Karen LaCamera—Executive Editor, Kay Krowe—Executive Editor, Cyndy Ward—Senior Editor.

When I look back on my high school years, I will fondly remember many things. One of the highlights, I feel, is the preparation of our yearbook. I need not tell you what a yearbook means to a school. Ask any graduate and they will tell you just how important and valuable the yearbook really is. I have had many happy memories in putting this book together and I know that I will have many many more, putting "my book", next year's yearbook together. I hope that next year's book will bring the Juniors as much happiness as this year's book has brought the present Seniors. I would like to personally wish the graduates of this class the best of luck in their careers after graduation and in everything they pursue.

Barbara Bilek

It hardly seems possible that time can fly so swiftly. It doesn't seem too long ago that we were underclassmen, frightened, yet full of hope and anticipation of what our high school days would hold.

Mine have been most memorable. As each year came along new doors, new friendships, new opportunities, and new experiences were mine. Some of these called for extra effort, some were unsuccessful; but many were a fulfillment of my ambitions.

Extra-curricular activities have brought me in contact with a variety of projects and numerous people, including many faculty members whom I may otherwise not have met. All of this has provided an indelible impression which I will cherish forever.

Now that all this will soon come to pass, I only wish that those who follow will take full advantage of every opportunity that these precious years can present.

Kay Krowe

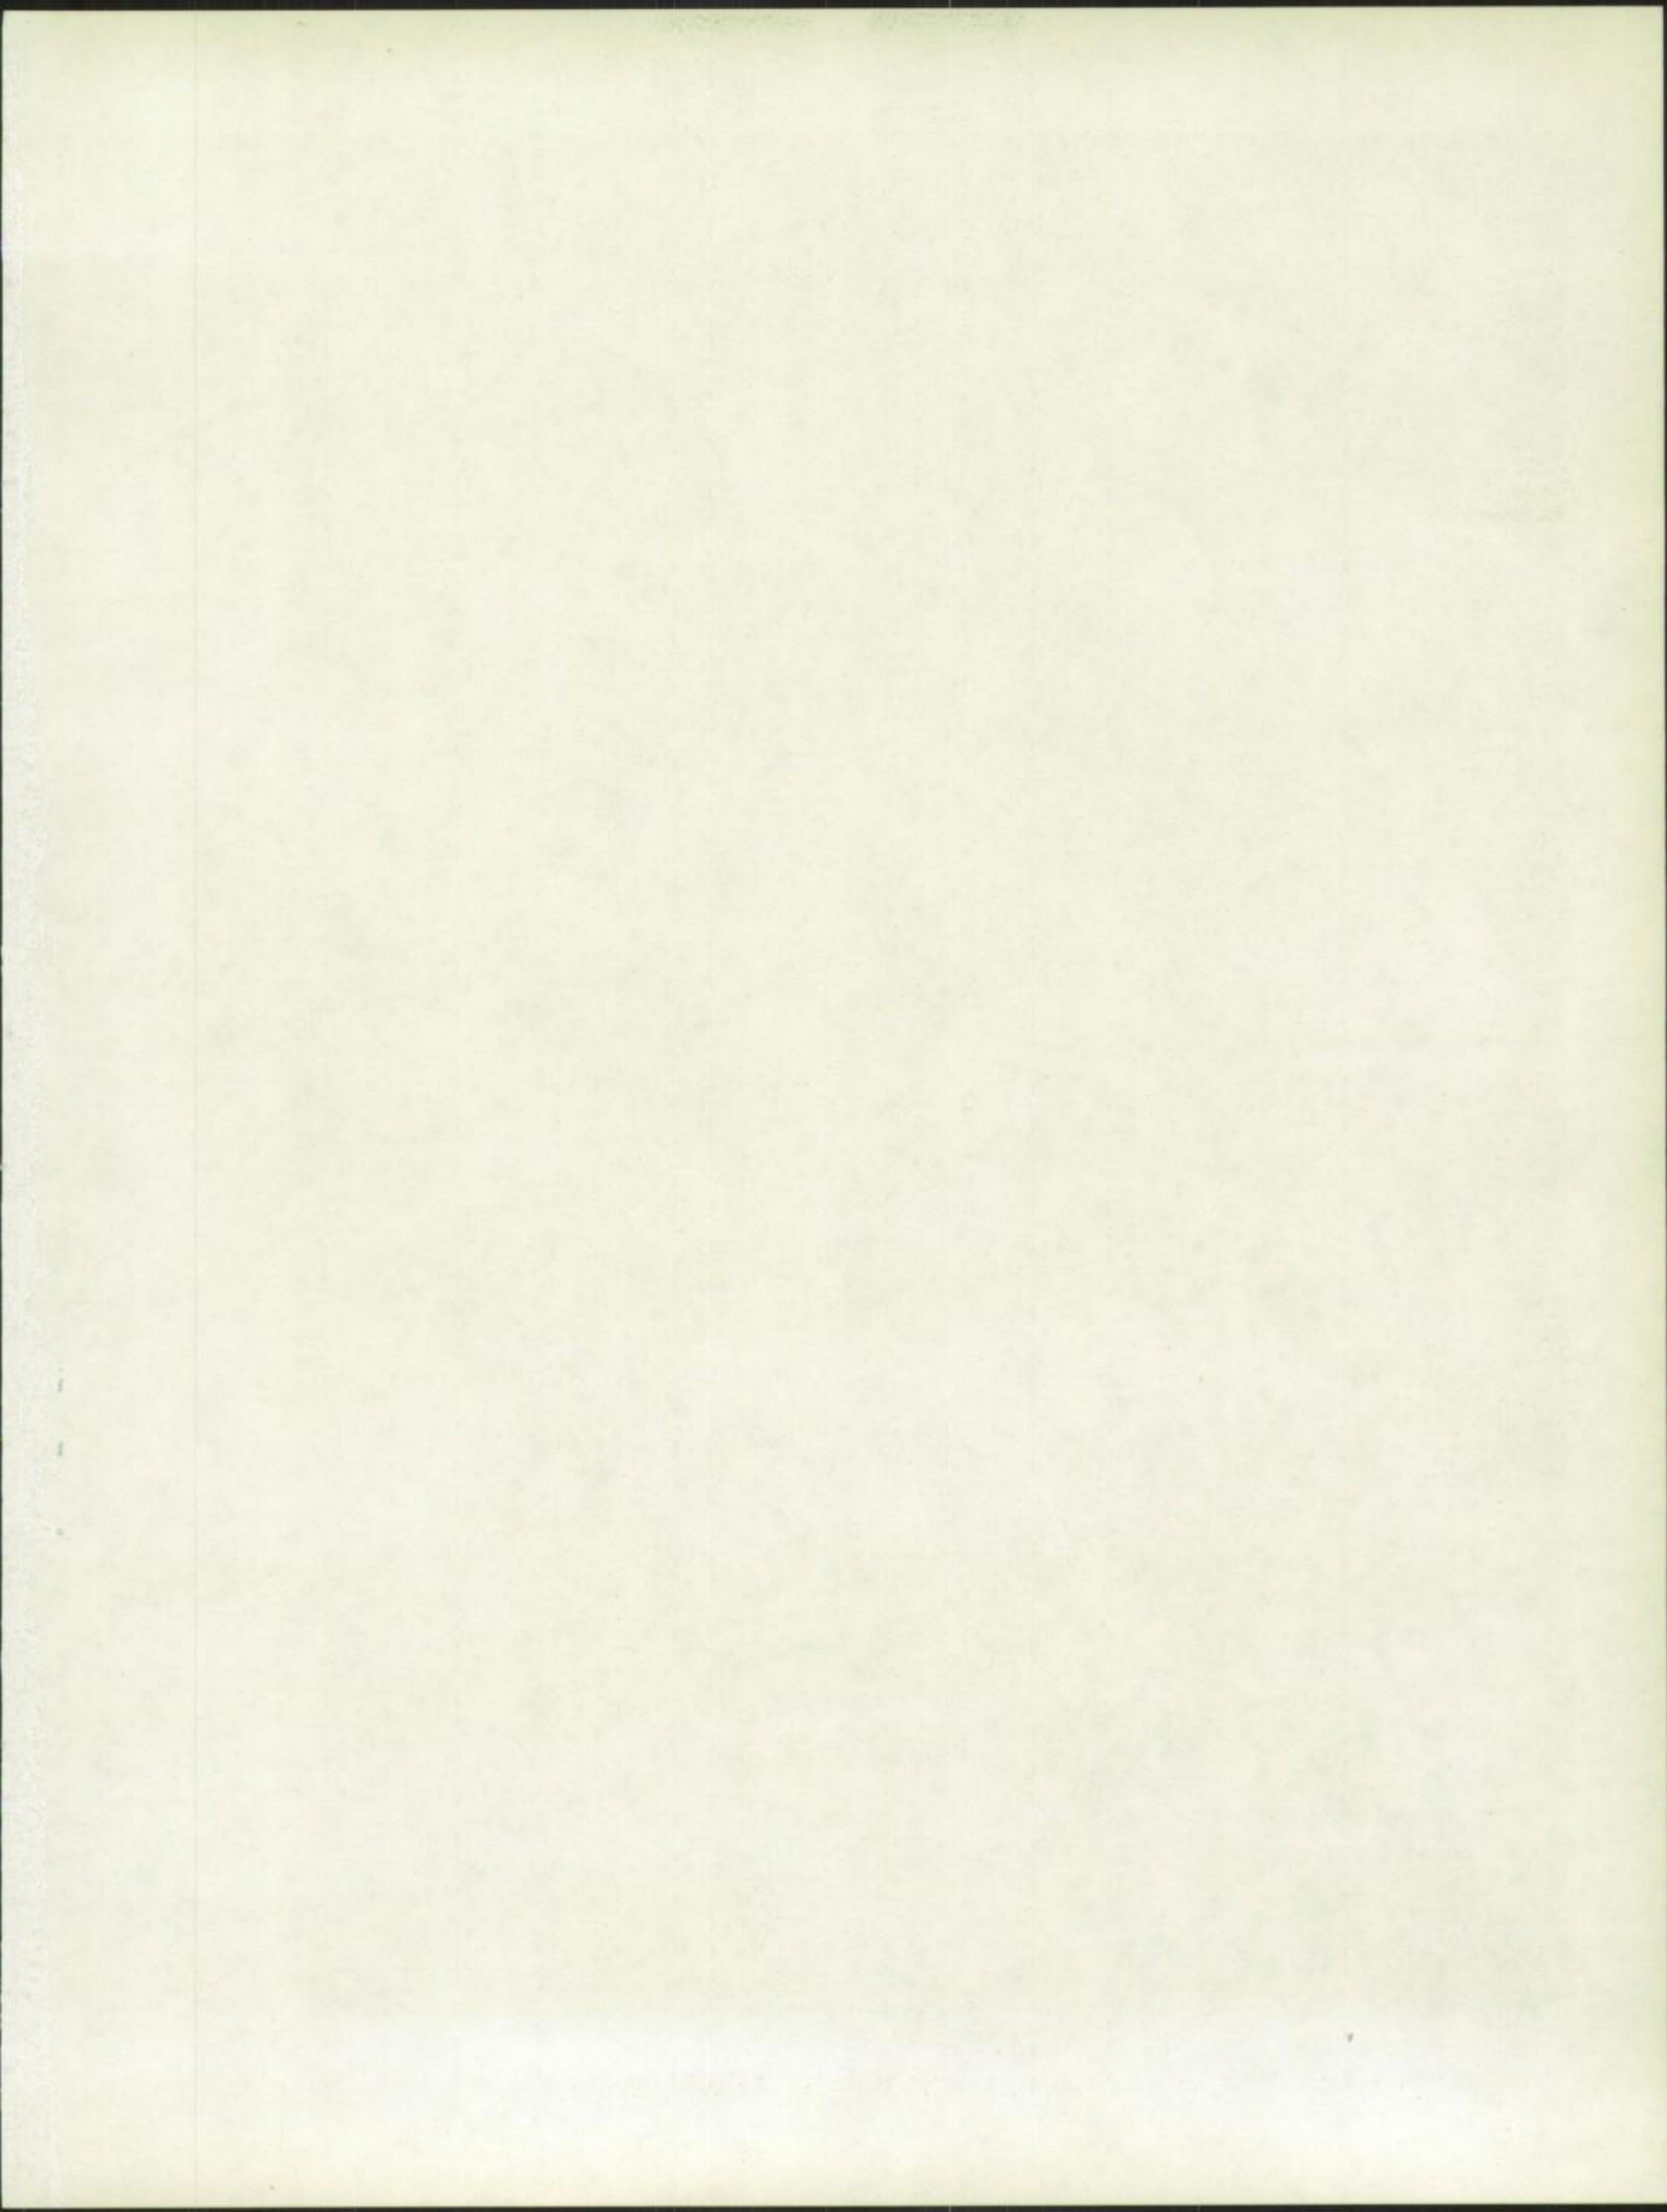

As we shall one day look over the past years that we have spent at Garfield Heights High School, we will sooner or later, pick up our Yearbook and scan through the pages, reminiscing about our eventful high school days.

Each one of us has a special year to remember and some important things to associate with it. There are many things that we can forget, but the Yearbook will help to keep alive all of our fond memories. I, for one, will never forget the mixture of fun and hard work that went into our Yearbook.

Karen LaCamera

As a member of the first graduating class of Garfield Heights Senior High School, I can look back to this school year with satisfaction; it has been a most productive one. The way in which the challenge of entering the new school was met is something to be proud of. We have established a precedent for following classes by upholding and reviving old traditions as well as establishing new traditions as our change in environment required. This year's Yearbook is a record of the progress that we have made. In the future, its factual contents will shape our remembrances of this past year.
